

Notice of Volunteer Event

Saturday, September 1st, 2018

The Lancaster County Conservancy, a registered 501 (c)(3) non-profit organization dedicated to permanently protecting our region's wild and forested lands and waterways, is hosting a volunteer workday at our Welsh Mountain Nature Preserve on Saturday, September 1st.

The Event:

We will be relocating a generous donation of woodchips to cover hiking trail surfaces across the Welsh Mountain preserve. Time permitting, we will also perform some light trail pruning and pick up litter left along the roadway into the nature preserve.

Signup on Eventbrite by Wednesday, August 29th:
